The information you need to succeed in the electronics industry is at the IPC Management Meetings and IPC Executive Market and Technology Forum Conference. Designed for decision makers, these co-located events cover technology trends, market forecasts and business strategies with a unique focus on executive level networking. Executives from every link in the supply chain will be there — from OEMs to equipment suppliers. No other events will offer you such a complete picture of the supply chain or give you such access to industry decision makers. Learn all you need to know at one place, at one time. Please see the back of the brochure for logistical information.

IPC MANAGEMENT MEETINGS – OCTOBER 22, 2007

The IPC Management Meetings are learning and networking forums for senior level executives in the electronics industry. These unique sessions focus on business strategies specific to the electronics industry so you can make the right decisions. As an attendee, you will not only hear from top industry experts on solutions to your most pressing management issues, but you will also have the opportunity to discuss with your peers how they are solving problems at their organizations. There are four management meetings to choose from for executives at printed circuit board (PCB) manufacturers, electronics manufacturing process companies (EMS), suppliers and surface mount equipment manufacturers (SMEMA).

For more information on the management meetings, contact Susan Filz at 847-597-2884 or SusanFilz@ipc.org

REGISTRATION
To register, simply complete the attached registration form or go to www.ipc.org/Vegas2007. For questions regarding registration, contact IPC’s registration department at 847-597-2861.

MEETING LOCATION AND HOTEL INFORMATION
Viva Las Vegas! The IPC Management Meetings and the IPC Executive Market & Technology Forum will take place at Caesars Palace — the most famous hotel on the strip. To take advantage of the special $205 per night rate, make reservations by Thursday, September 20, 2007. Call 800-634-6661. Be sure to identify yourself with IPC.

Book your room at Caesars Palace by August 31st and you could win one of the following:

1) Two $100 gift certificates to be used toward the purchase of tickets to see Cirque du Soleil’s Mystere playing at Treasure Island.

2) A complimentary upgrade to luxury accommodations in the Palace Tower at Caesars.

3) Dinner for two at any Caesars-owned restaurant.

No purchase necessary to win. All attendees who reserve a room at Caesar’s Palace prior to August 17 and stay between October 20–25, 2007 will automatically be entered in the drawing. The winners will be selected at random on October 1, 2007, and all winners will be notified via e-mail from IPC by October 5, 2007. Gift certificates to Treasure Island and dinner will be distributed to winners by IPC staff upon arrival on-site. Gift certificates are for use at Treasure Island Hotel and Casino only and are valid toward anything but gaming.

NETWORKING! NETWORKING! … AND GOLF!
Making contacts is a primary benefit of IPC events. For Management Meeting attendees, there will be a dinner the evening of October 22. A reception for attendees of the Executive Market & Technology Forum will be the evening of October 23. Catch up with old friends and make new contacts. These networking opportunities are included in the price of the meetings. To register a guest, please see the registration form.

Arrive on October 21 and take part in the IPC Golf Outing. This year’s event will take place at Las Vegas Paiute Golf Resort. Resting in the undisturbed beauty of the Southern Nevada desert at the base of the picturesque Spring Mountains lies a golfing experience like no other … The Las Vegas Paiute Golf Resort. Enjoy the natural serenity and tranquility that only the Las Vegas Paiute Golf Resort can offer. Fee of $200 includes green fees, box lunch, cart, practice balls, and a $10 per person in Golf Shop credit. To register, go to www.ipc.org/VegasGolf. After August 22, call for availability. Refunds will not be given after August 22.

SPONSORSHIP OPPORTUNITIES
Industry suppliers can enhance their exposure to current and prospective customers by becoming corporate sponsors of the Executive Forum Conference. Several levels of sponsorship offer you a choice of options. All sponsors will get their company name and logo included in upcoming marketing communications about the conference, which will reach more than 13,000 of the industry’s top managers worldwide. Company name and logo will also be featured in the proceedings book, with contact information for your company inside the book. Three of the options include table-display space and complimentary registration to the conference for one representative from your company. Go to www.ipc.org/VegasSponsor for an application.
