# 2017 Annual Report on the North American PCB Industry

Published September 2017

*Strengthening & Advancing Electronics Manufacturing Globally*

# TABLE OF CONTENTS

<b>INTRODUCTION</b> .....	1
<b>SECTION 1    <i>NORTH AMERICAN PCB INDUSTRY TRENDS</i></b>	
PCB Production Versus Market Size .....	3
Historical PCB Market Growth Trends .....	4
Vertical Markets (All PCBs).....	5
Historical Trends in PCB Production.....	8
PCB Production in North America.....	10
U.S. Trade in PCBs.....	12
<b>SECTION 2    <i>RESULTS FROM THE RIGID PCB SEGMENT</i></b>	
<b>THE MARKET FOR RIGID PCBs</b>	
Rigid PCB Market Size .....	16
Vertical Markets for Rigid PCBs.....	17
<b>RIGID PCB PRODUCTION AND SALES TRENDS</b>	
Trend in Rigid PCB Production Volume in North America.....	19
Rigid PCB Sales and Growth.....	21
Type of Production .....	23
<b>FINANCIAL AND OPERATIONAL METRICS FOR RIGID PCB PRODUCERS</b>	
Revenue per Employee .....	26
Capacity Utilization.....	27
Inventory Turns .....	28
Lead Times .....	29
<b>SECTION 3    <i>RESULTS FROM THE FLEXIBLE CIRCUIT SEGMENT</i></b>	
<b>THE MARKET FOR FLEXIBLE CIRCUITS</b>	
Flexible Circuit Market Size .....	31
Vertical Markets for Flexible Circuits.....	32
<b>FLEXIBLE CIRCUIT PRODUCTION AND SALES TRENDS</b>	
Flexible Circuit Production Volume in North America .....	34
Flexible Circuit Sales and Growth.....	37
Type of Production .....	39
Bare Circuits versus Components & Assembly Services .....	41
<b>FINANCIAL AND OPERATIONAL METRICS FOR FLEXIBLE CIRCUITS PRODUCERS</b>	
Revenue per Employee .....	42
Capacity Utilization.....	43
Inventory Turns .....	44
Lead Times .....	45
<b>SECTION 4    <i>APPENDIX</i></b>	
IPC Market Research Reports and Studies.....	47
