

IPC MARKET RESEARCH

Trends in the North American Market for PCB Prototypes

Published October 2017

Strengthening & Advancing Electronics Manufacturing Globally

TABLE OF CONTENTS

Introduction	1
Executive Summary	
PCB and Prototype Market Size Estimates	2
Prototypes as a Proportion of PCB Sales	3
Prototype Sales Growth Trends	4
Prototypes as a Proportion of PCB Sales	
Prototype Proportion of All PCBs by Month	5
Prototype Proportion of Rigid PCBs by Month	8
Prototype Proportion of Flexible Circuits by Month	11
Prototypes Sales Growth	
Rigid PCB Prototype Sales Growth	14
Flexible Circuit Prototype Sales Growth	17
Vertical Markets Served by Reporting PCB Companies	
Rigid PCB Vertical Markets	20
Flexible Circuit Vertical Markets	22
Appendices	
Prototype Sales as Percentages of PCB Sales for Each Month	25
Prototype and Regular-Production Sales Growth Rates	26
Current Studies and Reports Available from IPC	27
