

JIT Industrial Asia Pte Ltd

JIT Industrial Asia Pte Ltd is a Singapore-based company with subsidiaries in China, Hong Kong, Vietnam, and India. Our founder entered the China market in 1990, at a time when it was the designated manufacturing base of the world. He introduced world-renowned brands for the electronic assembly industry, and over the past 30 years, we have gained valuable knowledge and experience by providing professional support to PCB assembly factories of all sizes. We have been growing alongside our clients, and our core mission is to offer a complete range of chemical auxiliaries, supporting equipment, and solutions for the electronics industry. The Inline Plasma Cleaning Machine offers the PCBA industry three key advantages.
