

# RH Group

Perfection is a partnership, and everyone has a crucial role to play, just like a skilled Formula 1 racing team winning the Grand Prix. At rh Group, we are your dedicated pit crew, providing precision, timing, coordination, efficiency, and specialized expertise to help you achieve your goals. Established in 1984 by Yacov Rozenberg, Shoshi Rozenberg, and Gedalya Hamerman, rh is the leading contract manufacturer in Israel, serving clients that include startups, entrepreneurs as well as global OEMs and enterprises worldwide. Together with our subsidiary copies rh Europe, rh USA and r-metal Kits, rh Group offers faster expedited times to market at reduced costs. Our systems, components, and assemblies are found in advanced technology products across various sectors, such as medical, homeland security and aerospace, semiconductors, green tech, digital printing, food tech, and more. From start to finish, we bring the entire production process under one roof, enabling you to quickly and confidently get your finished product to market. Our services include design, manufacturing, testing, assembly, and repair, as well as the delivery of the finished product. All with cutting-edge technology and personalized attention to detail
